Reasons for allowance are only warranted in instances in which “the record of the prosecution as a whole does not make clear [the Examiner’s] reasons for allowing a claim or claims.” 37 C.F.R. 1.104(e). In the present case, Applicant believes the record as a whole makes clear the reasons for allowance and therefore no statement by the Examiner is necessary or warranted. Thus, the record should reflect that Applicant does not necessarily agree with the Examiner’s Reasons For Allowance.

In particular, the Reasons For Allowance do not fully correspond to allowed Claims 4, 20, 36 and 52, since the features cited in the Reasons For Allowance do not fully reflect the subject matter of Claims 4, 20, 36 and 52 when considered as a whole.

Accordingly, it is Applicant’s understanding that independent Claims 4, 20, 36 and 52 were allowed based on the claimed subject matter thereof, when considered as a whole. On the other hand, if the Examiner did, in fact, intend for the Reasons For Allowance to correspond fully to Claims 4, 20, 36 and 52, then he is respectfully encouraged to state such for the record.

Pursuant to 1247 O.G. 111 entitled “Clarification of 37 C.F.R. § 1.704(c)(10) - Reduction of Patent Term Adjustment For Certain Types of Papers Filed After a Notice Of Allowance Has Been Mailed”, this paper is not considered a failure to engage in reasonable efforts to conclude prosecution (processing or examination) of the application, and Applicant should not be penalized for term adjustment even though this paper is filed after allowance.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Michael J. Guzniczak/
